WHITCHURCH: HOME OF
John Dollin
PRINTING SERVICES LTD

DIRECTIONS:

Whitchurch can be easily accessed from any direction as it is bordered by two motorways (M3 & M4) and several major A-roads. It also has a rail station just a few hundred yards from our location.

The focal centre of Whitchurch is its small Square (marked by a mini-roundabout). Since the town is quite small, and all the main roads lead to the centre, it is easy to find The Square.

From The Square head north up Newbury Hill towards Newbury. At the crest of the hill turn left into Station Road. Follow the road round to the left and turn right into Ardglan Road.

John Dollin Printing Services is the fifth unit on the left. We have our own car-park in front of our building.
